Project Name: Personal Expense Tracker Application

SETTING UP APPLICATION ENVIRONMENT

Create an Account in SendGrid:

Using the website link given in the IBM Project workspace, SendGrid account is created.

Here is the Screenshot given below:

The screenshot shows the Twilio SendGrid login interface. At the top is the Twilio SendGrid logo. Below it are two input fields: 'Username' with the value 'pranavkumar@student.tce.edu' and 'Password' with masked characters. To the right of the password field is a link 'Forgot your password?'. Below the inputs is a blue 'Log In' button. Underneath the button is a link 'Log in with single sign-on (SSO) instead'. At the bottom of the page is a footer link: 'Don't have a Twilio SendGrid account? Sign up now!'.
